# TESTIMONIALS

My wife and I enjoyed working with Andrea. One of the things I liked about Andrea was she listened. She did not try to "just sell us something". This is our second home so we looked at homes for several months with multiple trips back to the Valley. Andrea made each trip a great experience. When we negotiated the deal it was easy because Andrea knew our hot points and only bothered us with the important stuff. I will use Andrea for any future real estate purchase in the Jackson/Driggs/Tetonia area.

- Wayne Powell

Paul proved to be very knowledgeable and extremely responsiveness when we were looking at purchasing a second home in Teton Village. He took the stress out of buying from 1500 miles away. We would highly recommend him.

- Keith B. and Anna D.

Fall Line represented me as my agent during the recent short sale of my property. A huge amount of work is required to complete the steps in the process and provide needed documentation. Paul took care of every detail. I can recommend them without reservation.

- Jerry Edgington, Bountiful, UT

Moving our young family from MI to Teton Valley, ID was an exciting but scary time for us! With limited people to turn to here, Brice and Paul stepped up and became our eyes and ears on the ground. The attention to detail in making sure it was a smooth process was impressive and appreciated. Not only did it remove some of the stresses associated with such a move, it actually gave us a sense that we were in good hands that and our interests were protected. Thank you Fall Line Realty & JHREA for making truly help making our dreams come true. We love our new home and more importantly, the community in which we now call home.

- Drew Orlando, Victor, ID

We could not be more grateful that we found Andrea in the process of buying our home. As first time home buyers, it was so important for us to have someone on our team that was experienced and knowledgeable. We kind of stumbled upon Andrea while working with another agent who was not doing a great job communicating with us. She was so flexible and willing to help us in a tough market and drawn out financial process. She was always available and willing to help and gave sound advice from the beginning to the end of the process. Thank you!

- Rilla Ferriera

Andrea made for a super easy and efficient home buying process in an area I was totally unfamiliar with. The local knowledge, recommendations and assistance I received made the process very smooth. I would recommend her to anyone looking to purchase in the Teton Valley area!

- Tim Vidmar

We are very fortunate to have chosen Paul as our realtor. As first time homebuyers, he was a tremendous help in advising us through the process. We always felt as if we were his top priority. Our new home is a perfect fit for us, and we have Fall Line to thank for it.

- Lindsay & Dan Sanders

We wanted to express our sincere thanks to you and your staff for selling our house in Alta. Your professionalism and knowledge of the local market was instrumental in completing the transaction in a timely manner. We will recommend you to all of our friends.

- Bruce and Kathy Ecklund  
Cody, WY

# Guide

# 01

## Find an Agent

Connect with a licensed Compass real estate agent who is knowledgeable about the neighborhoods you're considering and can help guide your search

# 02

## Get Pre-Qualified

Before beginning your search, your first step is to get pre-approved for a mortgage loan (unless you will be paying the full price of your home in cash). Your Compass agent can connect you to a mortgage broker. Based on your income and credit history, the mortgage broker will determine how much a bank will lend you, which will help you determine the price range for your search.

# 03

## Visit Properties

Now is the time to consider your ideal home's location and amenities. You will attend viewings and open houses spanning a range of areas and property types. Additionally, your Compass agent will activate notifications for exclusive Coming Soon and Off-Market properties as they hit the market.

# 04

## Packaging and Submitting Offers

Once you identify a home you like, you can put in an offer, which is an agreement to pay a certain price for the home. This offer is packaged with a Proof of Funds (POF) and Pre-Approval Letter. Note: if your offer is lower than the list price or with terms not acceptable to the seller, the seller will likely return with a counter-offer price or acceptable terms, which you can accept, reject, or make another counter-offer. Your Compass agent will provide advice throughout.

## 05

### Escrow Process

(Life of an Escrow: 30 & 45 day escrow period)

**Day 1** Once offer is accepted, escrow is officially open and the clock begins on contingencies\*

**Day 2** Contact your insurance agent for homeowners coverage

**Day 3** Initial deposit is due per terms of agreement

**Day 1–17** Seller delivers disclosures to buyer. Buyer performs inspections (Step 6)

**Day 1–21** Loan is in underwriting and appraisal occurs (Step 7)

**Day 7–30 | 21–45** Seller signs grant deed and staging is removed, if any (Step 7)

**End of Escrow** Within final week of escrow period, buyer signs loan and closing documents and wires in closing funds (Step 10)

**Day 30–45** Loan funds and escrow closes (recordation)

\*This escrow process is based on a standard 30–45 day transaction

## 06

### Home Inspections: Review Disclosures, Reports & Repairs

It is the buyer's duty to schedule all desired home inspections and determine the overall condition of the property within the agreed timeline and contractual contingencies. Buyer will also review the disclosures and preliminary title report. You may approve or negotiate credits/repairs. Prior to closing, remember to schedule a final walk-thru of the property to verify property is still in acceptable condition and any negotiated repairs were done.

## 07

### Loan, Appraisal, & Closing

Organize an appraisal with your bank. Your completed mortgage application with all supporting documentation should be submitted to your chosen lender upon receipt of the fully signed Purchase Agreement. The bank then issues loan approval. Consequently, the buyer wires the closing funds with the homeowner's insurance in place, and then the loan will be funded with clearance to close.

## 08

### Welcome Home!

Congratulations! You are now a homeowner.
